# Arrowhead Library System

Serving Carlton, Cook, Lake, Lake of the Woods, Itasca, Koochiching, and Saint Louis counties.

Arrowhead Library System enriches the quality of life for all residents of northeastern Minnesota by providing direct services to those without a public library and access to electronic resources for all; and enhances the value of all types of libraries in the seven-county region by cultivating collaboration, supporting technological innovation, and creating professional development opportunities for library staff through:

- Training opportunities for library staff such as Early STEM/Math workshops, Legal and Historical Reference, and more!
- Brainfuse homework help and job search preparation
- Collection management, online catalog, and technical support
- MackinVIA preK-grade 12 eBook collection for member school libraries
- Mini grants for programming and makerspaces
- Interlibrary loan service
- Delivery service coordination
- Weekly Weeder Newsletter and email distribution lists

*"I really enjoyed connecting with other librarians at schools and I look forward to working with them in the future. It was helpful to hear ideas from staff about how they serve their youth. Loved the ideas I got from this workshop and can't wait to tweak them to fit my library! "*

*- ALS Member School Library Media Specialist*
