TdS Library Cooperative

Serving all libraries in Southcentral Minnesota Blue Earth, Brown, Faribault, Le Sueur, Martin, Nicollet, Sibley, and Waseca counties.

TdSLC strengthens, improves, and promotes collaboration by providing support services and coordinating shared access to resources, programs, and technologies for member libraries through:

- Collaborative integrated library system management including centralized cataloging and database management for library operations.
- Shared access to print and electronic materials held by member libraries.
- Access to materials and information held state-wide through Interlibrary Loan.
- Region-wide delivery service for physical library materials.
- Expert professional support for library administrators and staff including continuing education opportunities, policy and technical support, grant writing assistance, and technology advice.
- Project-based facilitated collaboration between members including LSTA grant projects, programming for children and teens, and regional speaker tours.

*"TdSLC is an entity offering support to libraries in the system.
They are so helpful, and we all work well together."
- Library Director*
